## Jewellery Workshop

This FREE workshop will be led by a qualified Adult Community Learning tutor and is designed help you explore your creative skills. During the workshop you will learn to make a bracelet and necklace, using beads in the colours of your choice. You will learn:

- The tools and equipment required to make a beautiful strung necklace and bracelet
- The techniques involved for creating and professionally finishing your bracelet and necklace including using wire guardians, crimps and crimp covers
- How you can adapt the techniques to make a variety of necklaces and bracelets

So why not come along and have lots of fun?
